

KIDS TRAVEL ID - wristband

Keeping Your Kids Safe On Holiday

Our Kids Travel ID wristbands are supplied in packs of 6

Kids Travel ID Wristbands - Great for Keeping Your Kids Safe When On Vacation!

If you become separated from your child at a busy airport or beach, they may have difficulty in communicating to those around them due to their age or language differences - these wristbands provide the answer!

The bands can store the child's name (optional), your hotel name, flight number, 2 x emergency contact numbers and a note on your child's medical conditions or allergies.

Features of the Kid's Travel ID wristband

- **Multi-Language** - Effective in most countries as they read "If I'm Lost - Look Inside" in English, Spanish & French
- **Waterproof & Tough** - Made from waterproof Tyvek material, they are ideal for use in the ocean or swimming pool - they will not rip or tear
- **Discreet** - Your child's information is kept safe inside the band, safe from prying eyes
- **Disposable** - Discard the old band and update a new band when changing hotels or contact numbers.

Sizing

One size fits all up to a maximum wrist circumference of 21.5cm

Colour

Available in colour pictured only
